FOR IMMEDIATE RELEASE

## Hydra Weaponry Unveils the HYDRA® H3 (Grease Gun) Modular Magazine Well

*Bringing the iconic Grease Gun legacy into the future with modular innovation.*

**Hermon, Maine (February 2025)** – [Hydra Weaponry](http://www.hydraweaponry.com), Maine’s largest firearms employer, designers, and manufacturers of the truly modular MARCK-15 Hydra® Weapon System, proudly announces the release of the [HYDRA® H3 \(Grease Gun\) Modular Magazine Well](#), a tribute to the legendary M3 Grease Gun, now seamlessly integrated into Hydra's advanced modular weapon system. Designed to accept Grease Gun-style magazines, the HYDRA H3 45ACP mag well is built for adaptability, working not only with Hydra’s proprietary systems but also with other manufacturers' upper receivers and the Hydra QCB.

“The M3 Grease Gun was a staple for Special Forces operators, armored vehicle crews, and warfighters for decades. My father, Mack Gwinn Jr., who served as a Special Forces Recon soldier during the Vietnam War, was intimately familiar with its rugged reliability,” said Mack Gwinn, III, Owner of Hydra Weaponry. “With the HYDRA H3 Mag Well, we’re bringing that same enduring legacy into the modern era, offering shooters a modular, high-performance solution that keeps the Grease Gun spirit alive.”

The HYDRA H3 mag well is a vital component in Hydra Weaponry’s adaptable firearm ecosystem and can be found in the following platforms:

- [MARCK-15 HYDRA VIPERA 45ACP H3 Pistol \(Grease Gun\)](#)
- [MARCK-15 HYDRA 45ACP H3 Modular Rifle \(Grease Gun\)](#)
- [Hydra Modular Stripped Lower Receiver with H3 45ACP \(Grease Gun\)](#)
- [Complete Hydra Modular Lower Receiver with H3 Mag Well 45ACP \(Grease Gun\)](#)

### **HYDRA® H3 (Grease Gun) Mag Well Specifications:**

- Weight: 1 lb.
- Dimensions: 4 × 3.5 × 2 inches
- Select Bullet Button Option: California Bullet Button Option Available (+\$45.00)

With its precision engineering and deep historical roots, the HYDRA H3 (Grease Gun) Modular Magazine Well delivers a unique blend of heritage and innovation, making it an essential upgrade for modern shooters looking to embrace the versatility of Hydra Weaponry's modular system. MSRP \$275.

Dealers interested in carrying any of the H3 options should contact [Tanner Smart](#) for the Hydra Dealer Program.

### **About Hydra Weaponry:**

Headquartered in Maine, [Hydra Weaponry](#) has 50 years of firearms innovation in its DNA. Starting with the development of the Bushmaster pistol, rifle, and submachine gun, the Gwinn family has set a high standard of designing innovative firearm platforms built around the actual needs of tactical operators, often fighting in extreme conditions and environments. The MARCK-15 Hydra Modular Weapons System is the ultimate modular platform that designer Mack Gwinn, Jr. created to meet the criteria of modularity, durability, consistent performance, accuracy, and affordable. Hydra Weaponry is the future of small arms.
