

FOR IMMEDIATE RELEASE

Tasmanian Tiger® Launches TT MODULAR COMBAT PACK 24 SL in the U.S.

Highly modular combat backpack with adjustable Y2 Carrying System now available to American customers.

Knoxville, Tenn. (March 2025) – [Tasmanian Tiger®](https://www.tasmaniantigerusa.com), a tactical nylon line of products distributed exclusively for the US market by Proforce Equipment, Inc., announces the availability of the [TT MODULAR COMBAT PACK 24 SL](https://www.tasmaniantigerusa.com) in the U.S. Market. This small yet highly modular combat backpack is designed for adaptability, featuring the newly developed Y2 Carrying System that allows for an exceptional range of back-length adjustments, accommodating both petite and very tall users.

The 24-liter TT MODULAR COMBAT PACK 24 SL is built for mission readiness, offering a laser-cut MOLLE system and MOLLE hook-and-loop on the inside for limitless modularity. It features three front pockets with dividers for customizable gear storage. The lower front pocket is specifically designed to fit three magazines, ensuring quick access in high-pressure situations. The main compartment holds 19L, while the upper front pocket holds 2L, the middle front pocket holds 1L, and the lower front pocket holds 2L. The adjustable shoulder straps allow the pack to be worn comfortably over protective vests. It also has a removable hip belt, padded fins with zippered pockets, and removable hook-and-loop.

Designed for light load-outs and extended wear, the innovative Y2 Carrying System provides a fully adjustable back-length system that accommodates users of all sizes. The reinforced Y-shaped harness design features shoulder straps that can be fine-tuned for height and length, ensuring an optimal fit. A removable rear panel with an aluminum support rail enhances stability and load distribution while maintaining a low-profile design that integrates seamlessly with a padded back construction. The system's ergonomic padding offers enhanced comfort, even during prolonged use in rugged environments.

Additional features include hydration system compatibility, side compression straps, and internal mesh pockets for organizing small essentials like batteries.

The TT MODULAR COMBAT PACK 24 SL weighs 60 oz. / 7.75 lbs. and measures 21.25 x 11.5 x 7 in. / 54 x 29 x 18 cm. It is made from Cordura® 700 Denier (Multicam 500 den) and is available in Black, Olive, and Coyote for an MSRP of \$329 and Multicam for \$379.

About Tasmanian Tiger®

Tasmanian Tiger®, a division of Tatonka GmbH, is an international brand founded in 1999 to provide user-design-driven nylon products to elite warfighters and law enforcement in Europe, Asia, and now North America. From prototype to production, all products are manufactured in the company's own facilities, thus ensuring a consistently high level of quality throughout the production processes. All products are quality checked before leaving the facility and checked regularly by independent international test centers.
