Tasmanian Tiger® Introduces the TT WATERPROOF STUFFBAG WPV in Three Sizes

This durable, waterproof solution is available in three sizes for outdoor and tactical applications.

Knoxville, Tenn. (March 2025) – [Tasmanian Tiger®](http://www.tasmaniantiger.com), a tactical nylon line of products distributed exclusively for the US market by Proforce Equipment, Inc., proudly announces the release of its newest innovation, the [TT WATERPROOF STUFFBAG WPV](#). Designed for military personnel, outdoor enthusiasts, tactical professionals, and anyone requiring rugged waterproof storage, this robust stuff bag is now available in three versatile sizes: 15L, 25L, and 48L.

Constructed from 420D Nylon TPU ECO, the TT WATERPROOF STUFFBAG WPV is engineered for IP64-rated protection, ensuring it is completely dustproof and resistant to water splashes from all directions. This rating guarantees that the TT WATERPROOF STUFFBAG WPV excels in dusty and wet conditions, making it an ideal choice for military personnel, first responders, and outdoor adventurers who rely on secure, weather-resistant storage solutions. Rigorous dust-tight and water-splashing testing ensures the product maintains operational stability in demanding environments.

Designed with consumer confidence in mind, the TT WATERPROOF STUFFBAG WPV meets stringent safety and quality standards, ensuring long-lasting performance. Its welded laser-cut elements feature slits for secure attachment, making it ideal for use in vehicles, boats, and other challenging environments. The integrated valve allows for quick and efficient compression to optimize storage space. The waterproof roll closure is secured with a side-release buckle for enhanced durability and protection, featuring WJ WOJIN Plastic components, a trusted name in outdoor gear buckles and closures.

TT WATERPROOF STUFFBAG WPV Specifications:

	15L	25L	48L

About Tasmanian Tiger®

Tasmanian Tiger®, a division of Tatonka GmbH, is an international brand founded in 1999 to provide user-design-driven nylon products to elite warfighters and law enforcement in Europe, Asia, and now North America. From prototype to production, all products are manufactured in the company's own facilities, thus ensuring a consistently high level of quality throughout the production processes. All products are quality-checked before leaving the facility and checked regularly by independent international test centers.
