Cimarron Firearms Announces Limited-Time Pre-Tariff Sale

Cimarron Firearms offers customers an opportunity to purchase iconic Old West Firearms before tariff-driven price increases.

Fredericksburg, Texas (April 2025) – [Cimarron Firearms](http://www.cimarron-firearms.com), the premier name in authentic Old West firearm replicas, announces a limited-time opportunity for customers to purchase firearms at current pricing before impending international tariffs force cost increases across the industry. Mike Harvey, Founder of Cimarron Firearms, announced this special pricing in his recent “Cimarron Firearms Presents: BOOM!! With Mike Harvey,” where he discusses how to beat the tariffs with Cimarron Firearms. Watch the video here: <https://youtu.be/n-iRv1kA31A?si=N1eon8oZYrwYTIB1>.

With approximately \$10 million in inventory purchased before rising production and shipping costs, Cimarron Firearms remains committed to offering its customers the finest selection of historically accurate firearms at unchanged prices – but only while supplies last.

“The tariffs are expected to increase gun prices by as much as 25 percent,” said Harvey. “We have a fully stocked warehouse of firearms bought at pre-tariff rates, and we’re making these available to our customers at the same prices we’ve always offered. This is an opportunity for anyone interested in the legacy and craftsmanship of the Old West to secure their firearm before market-wide price adjustments take effect.”

Cimarron’s available inventory includes a wide range of models, including:

- Standard and pre-WWII model [single-action revolvers](#)
- [Hollywood-inspired replicas](#) used in iconic Western movies
- 1911 pistols, renowned for their quality and value
- Pedersoli Sharps rifles, 1886s, and Trapdoor Carbines
- Army Sport (Chiappa) Sharps and Winchester 1892 lever actions
- Doc Holliday shotguns and more

Customers may place orders through Cimarron’s website, by contacting the company directly at 1-877-SIXGUN1, or through their preferred firearms dealer. Cimarron Firearms urges interested buyers to act promptly, as inventory is limited and pricing will adjust once the current stock is depleted.
