Tasmanian Tiger® Introduces the TT FIRST RESPONDER MOVE ON MKIII to the U.S. Market

Two-in-One Modular Medic Pack now available to U.S. First Responders and Tactical Professionals.

Knoxville, Tenn. (May 2025) – [Tasmanian Tiger®](http://TasmanianTiger.com), a tactical nylon line of products distributed exclusively for the US market by Proforce Equipment, Inc., is proud to announce the U.S. availability of its highly versatile [TT FIRST RESPONDER MOVE ON MKIII](#), a modular backpack system designed for maximum flexibility, capacity, and operational readiness.

The TT FIRST RESPONDER MOVE ON MKIII features a two-in-one configuration, combining a large main backpack with a fully detachable front pack that can be used independently. Designed with real-world field feedback in mind, the TT FIRST RESPONDER MOVE ON MKIII provides 40 liters of total volume and includes a padded back carrying system for comfort during long missions.

The removable front backpack is equipped with detachable shoulder straps, allowing for rapid reconfiguration based on mission needs.

Inside, the TT FIRST RESPONDER MOVE ON MKIII is built for efficiency and adaptability with multiple hook-and-loop dividers, transparent pouches, and interior panels to organize medical gear or mission-specific equipment. Whether used as a unified loadout or split into two operational bags, the TT FIRST RESPONDER MOVE ON MKIII ensures that first responders and tactical operators are equipped to respond quickly and effectively.

The TT FIRST RESPONDER MOVE ON MKIII weighs 9 lbs. / 144 oz. and measures 21.25 x 12 x 9.5 in. / 54 x 30.5 x 24 cm. It is made from Cordura® 700 Denier (Multicam 500 den) and is available in Black, Olive, Coyote, and Red for an MSRP of \$649.00 and Multicam for an MSRP of \$749.00

About Tasmanian Tiger®

Tasmanian Tiger®, a division of Tatonka GmbH, is an international brand founded in 1999 to provide user-design-driven nylon products to elite warfighters and law enforcement in Europe, Asia, and now North America. From prototype to production, all products are manufactured in the company's own facilities, thus ensuring a consistently high level of quality throughout the production processes. All products are quality-checked before leaving the facility and checked regularly by independent international test centers.
