Zaffiri Precision Kicks Off Labor Day Deals Early with Exclusive Optic and Slide Promo

Now through midnight Sunday, Aug. 24, 2025, receive a FREE Holosun red dot optic with the purchase of any Zaffiri Precision optic-cut complete pistol slide.

Largo, Fla. (August 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, is thrilled to announce the early launch of its Labor Day Deals, running now through midnight on Sunday, Aug. 24, 2025. For a limited time only, customers who purchase any Zaffiri Precision optic-cut complete pistol slide will receive a free Holosun red dot optic: a Holosun 407C for RMR-cut slides or a Holosun 407K for RMSc-cut slides. This unprecedented offer includes Zaffiri's cutting-edge Integrated Blowhole System (IBS) complete uppers, designed to elevate performance for Glock 17 Gen 3, Glock 19, Gen 3 and 5, and Glock 43/43X models.

Zaffiri Precision's complete pistol slides are renowned for their superior craftsmanship, machined from single-billet 17-4 stainless steel with tolerances that ensure match-grade accuracy and reliability. The IBS uppers, a standout in this promotion, integrate Zaffiri's ZPS.1 slide with the innovative Blowhole Compensator, delivering up to a 25 percent reduction in recoil impulse compared to OEM slides. This design redirects muzzle gases for flatter shooting and faster follow-up shots, making it ideal for competitive shooters and tactical enthusiasts alike. Optic-ready cuts for Trijicon RMR, Holosun

407C/507C, or Shield RMsC footprints come standard, ensuring seamless integration with the included Holosun optics.

“This package deal is a game-changer for firearm enthusiasts looking to upgrade their Glock or SIG with unmatched precision and value,” said Thom Kuss, Executive Marketing Director of Salvo Technologies. “Pairing our meticulously crafted optic-cut slides, including the revolutionary IBS uppers, with a free Holosun 407C or 407K red dot optic is an unbeatable offer. It’s the perfect blend of cutting-edge technology and performance-driven design, giving shooters a competitive edge without breaking the bank.”

Available in finishes like Black Nitride, TiN Gold, and Multicam Black Cerakote, these complete slides combine durability with style. The promotion covers a range of models, including the Glock 17 Gen 3 IBS #2 as well as other Zaffiri Precision slides compatible with Glock and SIG Sauer platforms. This included Holosun 407C and 407K optics feature crisp reticles and robust construction, enhancing target acquisition for both range and real-world applications.
