**Knoxville, Tenn. (August 2025)** – [Tasmanian Tiger®](http://www.tasmaniantigerusa.com), a tactical nylon line of products distributed exclusively for the US market by Proforce Equipment, Inc., will exhibit its newest products at the [147<sup>th</sup> National Guard Association of the United States \(NGAUS\) General Conference & Exhibition](#). The Association's annual business meeting will take place from Aug. 22 – 25, 2025, in Milwaukee, Wisconsin. Attendees can visit Tasmanian Tiger at Booth 1639 to explore the latest in high-performance tactical equipment.

Tasmanian Tiger will feature a selection of its newest and most advanced products, designed to meet the rigorous demands of Army and National Guard professionals.

Highlights include:

- **Short Range Packs:**
  - [TT Modular Combat Pack](#) – Universal small combat backpack with two attachable pockets and elastic side pockets.
  - [TT Base Pack Top Load 30](#) – A 30-liter top-loading backpack with MOLLE compatibility, padded back support, and a height-adjustable chest belt.
  - [TT Mission Pack MKII](#) - Proven 37-litre combat backpack, Laser Cut MOLLE System.
- **Long Range Packs:**
  - [TT Modular Trooper Pack](#) - The TT Modular Trooper Pack is a military/tactical backpack designed with TT's V2 Plus carrying system.
  - [TT Base Pack 52](#) - A large mission backpack with modular expansion options from a volume of 52 liters, expandable to 65 liters.
  - [TT Base Pack 75](#) - A long-range mission backpack with 75-liter volume and modular expansion options; can be expanded up to 90 liters by removing the lid and using the roll-top snow guard.
- **Medic Packs:**
  - [TT Modular Medic Combat Pack 18](#) – A tactical emergency medic backpack with 18-liter volume, a circumferential zipper opening to the side, and robust handles on three sides.
  - [TT First Responder Move On MK III](#) - Consisting of a large main backpack compartment that has a removable front smaller backpack zipped to the front of it, which can also be used on its own. You get 2 packs in 1.
  - [TT Modular Medic Pack 38](#) – a 38-liter modular medic backpack with multiple compartments for organized storage and quick access to life-saving equipment.

The NGAUS General Conference & Exhibition is the Association's annual business meeting. Army and National Guard officers and defense leaders from all 50 states, three territories, and the District of Columbia gather to network, set their legislative agenda, and hear from America's civilian and military leaders. Family members, industry representatives, and local officials also attend. More than 350 companies are scheduled to exhibit.

Tasmanian Tiger is looking forward to attending the NGAUS General Conference & Exhibition to present its latest gear to the Army and Air National Guard community. Its commitment to quality, functionality, and innovation drives everything it does, and the company looks forward to engaging with professionals from around the country. Attendees are encouraged to visit Tasmanian Tiger's booth to experience firsthand the superior craftsmanship and tactical performance that define the brand.

### About Tasmanian Tiger®

Tasmanian Tiger®, a division of Tatonka GmbH, is an international brand founded in 1999 to provide user-design-driven nylon products to elite warfighters and law enforcement in Europe, Asia, and now North America. From prototype to production, all products are manufactured in the company's own facilities, thus ensuring a consistently high level of quality throughout the production processes. All products are quality-checked before leaving the facility and checked regularly by independent international test centers.
