FOR IMMEDIATE RELEASE

Tasmanian Tiger® Introduces the TT SRPP Panel for Modular Backpack Customization

Lightweight Tegris® construction delivers superior strength, impact resistance, and versatility.

Knoxville, Tenn. (September 2025) – [Tasmanian Tiger®](http://www.tasmaniantigerusa.com), a tactical nylon line of products distributed exclusively for the US market by Proforce Equipment, Inc., is proud to announce the release of its latest innovation, the [TT SRPP Panel](#). Designed to hook directly into modular backpacks, the TT SRPP Panel provides a lightweight yet rigid platform for customizing loadouts. Constructed from Tegris® Self-Reinforced Polypropylene (SRPP), the panels deliver superior impact resistance, water and chemical resistance, and long-lasting durability in demanding environments. Watch the product video here: <https://youtu.be/Nq5SWRAGqyc?si=j3c8KRtCc5kRw2-X>.

Constructed from twelve layers of Tegris Thermoplastic Composites, the TT SRPP Panel offers a stable, protective base with a laser-cut hole and slot pattern for versatile fastening. Operators can secure gear using the included bungee cord with stopper and hook-and-loop strips, while the Velcro® hook surface on the back ensures easy integration with compatible packs and gear systems.

With its innovative construction and practical modular design, the TT SRPP Panel is the latest addition to Tasmanian Tiger's professional-grade tactical equipment lineup, meeting the demands of the military, law enforcement, and outdoor professionals worldwide. The TT SRPP Panel is available in Titan Grey in two sizes: 9 x 5 inches (3.5 oz., MSRP \$59.95) and 9 x 10 inches (5.6 oz., \$89.95).

About Tasmanian Tiger®

Tasmanian Tiger®, a division of Tatonka GmbH, is an international brand founded in 1999 to provide user-design-driven nylon products to elite warfighters and law enforcement in Europe, Asia, and now North America. From prototype to production, all products are manufactured in the company's own facilities, thus ensuring a consistently high level of quality throughout the production processes. All products are quality-checked before leaving the facility and checked regularly by independent international test centers.
