Zaffiri Precision Announces September Flash Promo

Limited-time offer gives shooters Holosun optics or ETS magazines for FREE with select complete uppers from Sept. 24 – Oct. 1, 2025.

Largo, Fla. (September 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, is excited to announce its [End-of-September Flash Promo](#), offering shooters exclusive value on its complete uppers and Z Series products. From Sept. 24 – Oct. 1, 2025, customers can upgrade their firearms with industry-leading performance while receiving premium add-ons at no extra cost.

During the promotion, buyers of any Complete Upper (excluding Z Series) will receive a free Holosun 407C or 407K red dot optic, perfectly complementing Zaffiri's revolutionary Integrated Blowhole System (IBS) uppers. Designed to drastically reduce recoil and muzzle rise, the IBS system delivers flatter shooting and faster follow-up shots, without the need for threaded barrels or complicated installations. Each upper is precision-machined from aerospace-grade 17-4 stainless steel, CNC-finished to tight tolerances, and optic-ready for popular red dot footprints.

Customers purchasing any Z Series Complete Uppers will enjoy four free ETS magazines, keeping them “locked and loaded” for range sessions or tactical use.

“Zaffiri Precision is all about combining craftsmanship with innovation,” said Thom Kuss, Director of Marketing at Zaffiri Precision. “Our IBS uppers take what shooters love about their Glocks and elevate performance to the next level, while this flash promo lets our customers experience that precision along with premium accessories at no additional cost. But act fast—these deals are only available for a few days.”
