Zaffiri Precision Launches ZPrime Days Sale

Receive 15 percent off custom firearm components, such as slides, barrels, complete uppers, parts, and more, now through Oct. 15, 2025.

Largo, Fla. (September 2025) – With the kickoff of Amazon Prime Day, [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, has announced its own [ZPrime Days promotion](https://zaffiriprecision.com/zprime/), offering 15 percent off a wide range of Zaffiri Precision products beginning immediately and running through Oct. 15, 2025. Customers can use code ZPRIME at checkout to save on slides, barrels, complete uppers, most parts, and additional components. The offer excludes third-party accessory items, red dots, and other items marked ineligible. The sale can be accessed at <https://zaffiriprecision.com/zprime/>.

“As more firearm owners look to upgrade and personalize their builds, we wanted to create our own take on a seasonal savings event,” said Thom Kuss, Director of Marketing for Zaffiri Precision. “ZPrime Days allows our customers to save on the core products we’re known for, from replacement slides to complete uppers and barrels, without compromising on quality or performance.”
