Zaffiri Precision Kicks Off Black Friday with ZULU Series Promotion

Now through Black Friday, deals include free magazines, a bonus ported barrel, and 50 percent off threaded and non-threaded compensators.

Largo, Fla. (November 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, has launched a Black Friday promotion on its newly rebranded [ZULU Series of complete uppers](#), formerly known as the “Z Series.” The promotion is active now through Black Friday, Nov. 28, 2025, and delivers exceptional value for customers ahead of the holiday rush.

With every ZULU Series complete upper purchase, starting at just \$300, customers will receive four free magazines (a \$64 value). Those purchasing the ZULU Elite, priced at \$359.99, will receive the same four free magazines plus an additional ported barrel included with each purchase, representing an added value of \$243. To further sweeten the deal, all Zaffiri Precision compensators, including both threaded and non-threaded versions, are available at 50 percent off for the duration of the sale.

“This is just the beginning of our month-long Black Friday lineup,” said Thom Kuss, Director of Marketing at Zaffiri Precision. “We wanted to start strong by highlighting the ZULU Series and rewarding our customers with serious value, whether they’re upgrading a build or adding another Zaffiri Precision upper to their collection.”

(L-R): ZULU, ZULU Ported, and ZULU Elite.

The [ZULU](#) is the core complete upper, built for reliability and performance. Designed for those who want pure function over flash, it features minimal windows and is optic-ready. The [ZULU Ported](#) includes everything the ZULU offers, plus ported slide cuts and a matching ported barrel for a more aggressive look and flatter shooting experience. Finally, the [ZULU Elite](#) is the top tier of the ZULU line. Featuring a threaded barrel, upgraded stainless steel guide rod and back plate, and tritium night sights, the ZULU Elite is a complete, ready-to-run setup.

Zaffiri Precision manufactures all slides and components in-house at its Largo, Florida, facility. The company is not affiliated with Glock, Inc. or Glock Ges.m.b.H. References to Glock are for compatibility purposes only.
