FOR IMMEDIATE RELEASE

Zaffiri Precision Announces Early Black Friday Sale with Major Savings Across Uppers and Accessories

Deals include \$200 off SIG P365 Black Multicam Complete Uppers plus a free Holosun optic; additional deals include free magazines, a bonus ported barrel, and 50 percent off threaded and non-threaded compensators.

Largo, Fla. (November 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, has officially kicked off its [Early Black Friday Sale](#), delivering some of the largest savings of the year to firearm enthusiasts, dealers, and builders. Headlining the event is an exclusive blowout on the [ZPS.2 Multicam Black Complete Upper for the SIG Sauer P365XL](#), now \$200 off, reduced from \$699 to just \$499, and bundled with a FREE Holosun red dot optic. This limited-quantity offer is the result of a contract overrun and provides a unique opportunity for customers to secure a full-featured, American-made upper at an unmatched price point. This deal runs while supplies last.

The ZPS.2 Multicam Black Complete Upper for the SIG Sauer P365XL is engineered from a single billet of 17-4 stainless steel for tighter tolerances, improved accuracy, and enhanced durability. It is compatible with both SIG P365XL and XMacro frames.

In addition to the SIG P365 deal, Zaffiri Precision will also be offering a FREE Holosun optic with ALL complete uppers (excluding the ZULU series) and 50 percent off all compensators, including threaded and non-threaded versions. These sales are live now through Cyber Monday.

Additionally, the ZULU Black Friday sale is still going strong. With every ZULU Series complete upper purchase, starting at just \$300, customers will receive four free magazines (a \$64 value). Those purchasing the ZULU Elite, priced at \$359.99, will receive the same four free magazines plus an additional ported barrel included with each purchase, representing an added value of \$243.

“These are the most aggressive discounts we've ever released, and we’re excited to bring this level of value to our customers and dealers,” said Thom Kuss, Director of Marketing at Zaffiri Precision. “Our team takes pride in building premium, American-made components, and this Early Black Friday Sale is our way of giving back to the community that supports us. Once these SIG uppers are gone, these deals are gone for good—so we’re encouraging everyone to take advantage while inventory lasts.”

Zaffiri Precision manufactures all slides and components in-house at its Largo, Florida, facility. The company is not affiliated with Glock, Inc. or Glock Ges.m.b.H. References to Glock are for compatibility purposes only.
