Zaffiri Precision Expands Black Friday Deal with Major Discounts

Major discounts on eGift Cards, limited-time blowouts, last-chance closeouts, and introductory prices highlight Zaffiri Precision's biggest holiday sale event yet.

Largo, Fla. (November 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, has announced an expanded lineup of Black Friday promotions, including deep discounts on eGift cards, a final closeout of Glock 26 complete uppers, and exceptional savings across the ZULU Series and SIG Sauer P265XL bundles.

"Black Friday is our biggest event of the year, and we wanted to give our customers multiple ways to save on the products they rely on," said Thom Kuss, Director of Marketing for Zaffiri Precision. "From eGift card bonuses to once-in-a-lifetime closeout pricing, these deals represent some of the best values we've ever offered."

Customers can now take advantage of 20 percent off [Zaffiri Precision eGift cards](https://zaffiriprecision.com), available in denominations ranging from \$25 to \$1,000. For example, customers will receive a \$100 eGift card for just \$80.

Zaffiri Precision is also liquidating all remaining [Glock 26 inventory](#), marking the last opportunity to

purchase these complete uppers as the company will no longer manufacture the G26 slide. Regularly \$579.99, they are currently offered at a Black Friday price of \$249.99 (while supplies last). These complete uppers are compatible with Glock 26 Gen ¾ frames and also work with G27, G28, and G39 frames using the appropriate 9mm components. It is precision-machined from a single billet of 17-4 stainless steel, delivering tighter tolerances, improved accuracy, and exceptional durability. Each unit is 100 percent American-made.

Additionally, the [ZULU Black Friday sale](#) is still going strong. With every ZULU Series complete upper purchase, starting at just \$300, customers will receive

four free magazines (a \$64 value). Those purchasing the ZULU Elite, priced at \$359.99, will receive the same four free magazines plus an additional ported barrel included with each purchase, representing an added value of \$243. Introductory pricing will increase after Dec. 1, 2025.

Zaffiri Precision is also running an exclusive blowout on the [ZPS.2 Multicam Black Complete Upper for the SIG Sauer P365XL](#), now \$200 off, reduced from \$699 to just \$499, and bundled with a FREE Holosun red dot optic. This limited-quantity offer is the result of a contract overrun, providing a unique opportunity for customers to secure a full-featured, American-made upper at an unmatched price point. This deal runs while supplies last.

The ZPS.2 Multicam Black Complete Upper for the SIG Sauer P365XL is crafted from a single billet of 17-4 stainless steel, resulting in tighter tolerances, improved accuracy, and enhanced durability. It is compatible with both SIG P365XL and XMacro frames.

In addition to the SIG P365 deal, Zaffiri Precision will also be offering a [FREE Holosun optic](#) with ALL complete uppers (excluding the ZULU series) and [50 percent off all compensators](#), including threaded and non-threaded versions. These sales are live now through Cyber Monday.
