Zaffiri Precision Extends Black Friday/Holiday Blowout Sale Through Dec. 15

Last call for permanently discontinued components; remaining Glock 26 Uppers and more at up to 70 percent off.

Largo, Fla. (December 2025) – [Zaffiri Precision](https://zaffiriprecision.com), a leading innovator in precision-engineered firearm components, announced an extension of its [Black Friday/Holiday Blowout Sale](#) through Dec. 15, 2025, following an overwhelming response that completely sold out its initial Glock 26 inventory. The extended event features unprecedented closeout pricing, up to 70 percent off, on product lines that are being permanently discontinued. In addition, Zaffiri Precision is offering an extra 20 percent off all non-promotional items (excluding Black Friday closeouts) sitewide using code BF2025.

GLOCK 26 COMPLETE UPPER BLACK FRIDAY CLOSEOUTS

The headline offer includes the last remaining Glock 26 complete upper assemblies ever to be produced by Zaffiri Precision. Formerly priced at \$500, these fully built, ready-to-install uppers are now available for just \$249 while supplies last. Once this inventory is sold out, Glock 26 upper production will cease permanently.

Four distinct slide cut options are available to fit a wide range of build preferences. Customers can pair the upper with the new Glock 26 frame from Glock Store, featuring the extended Glock 19-length grip, to create what many builders consider the ultimate modern concealed-carry platform.

Zaffiri Precision has also added a final inventory of select [Glock 48, Glock 19, and Glock 17 complete uppers](#), each marked down to \$249, more than 50 percent off the original MSRP. These items are available while supplies last and will not be reissued for production.

Additional doorbuster deals through Dec. 15, 2025, include:

- 500 rounds of 115gr FMJ 9mm ammo for \$120 (while supplies last)
- All Zaffiri Precision compensators – threaded and non-threaded – at 50 percent off

- ZULU Series complete uppers – buy one, get four free magazines
- Free Holosun optic with qualifying purchases (details on site)
- 20 percent bonus on Zaffiri Precision gift cards (\$100 value for \$80)

“This sale truly marks the end of an era for several of our most popular product lines,” said Thom Kuss, Director of Marketing for Zaffiri Precision. “Once current inventory is gone, it’s gone for good. We’re giving our customers one final opportunity to secure Zaffiri-quality components at prices we will never repeat.”
