Caracal USA® to Exhibit at 2026 SHOT Show® E: ashley@lauraburgess.com

Caracal USA® will exhibit at Booth 10334 at the 2026 SHOT Show®, held at The Venetian Expo and Caesars Forum in Las Vegas, Nevada, Jan. 20 – 23, 2026.

Nampa, Idaho (January 2026) – [Caracal USA®](http://CaracalUSA.com), a leading U.S.-based manufacturer of small arms for the law enforcement and defense markets, is headed to the [2026 SHOT Show®](http://2026SHOTShow.com), taking place at The Venetian Expo and Caesars Forum in Las Vegas, Nevada, Jan. 20 – 23, 2026. This year, Caracal USA will be showcasing its new in-stock CMP9 and CMP9K 9x19mm fully ambidextrous semi-automatic pistols in Booth 10334. The new models bring modern manufacturing and battle-proven design into a compact platform that bridges the gap between pistol-caliber carbine and duty-performance.

In addition, Caracal will also have on display:

- the [Enhanced F](#) pistol, a striker-fired, polymer-framed handgun
- the CSR 308 and 338 long-range precision sniper rifles
- the [CAR816 A2](#) 5.56x45 NATO gas-operated short-stroke piston rifle
- the [CAR814 A2](#) 5.56x45 NATO direct impingement gas-operated rifle
- the [CAR814 A2 Patrol](#) centerfire, direct impingement gas-operated tactical rifle
- the [VERSUS™ Competition Rifle](#), chambered in .223 Wylde and designed by competitive shooters for competitive shooters

“As Caracal USA continues to expand into the U.S. market, SHOT Show provides an important opportunity to engage directly with distributors, dealers, and media partners. It allows us to reinforce what the brand stands for: precision engineering, modern ergonomics, and firearms designed without compromise. We invite all attendees to visit our booth to learn more about our new CMP9 and CMP9K pistols and our broader product roadmap,” commented Jeffrey Spalding, president and CEO of Caracal USA.

As the industry’s premier event for shooting sports, hunting, law enforcement, and tactical gear, SHOT Show brings together more than 2,500 exhibitors and tens of thousands of professional buyers from around the globe.

The SHOT Show is owned by NSSF® — the Firearm Industry Trade Association and is restricted to the shooting, hunting, and outdoor trade professionals and commercial buyers and sellers of military, law enforcement, and tactical products and services ONLY. The SHOT Show is not open to the general consuming public (e.g., private visitors, hunters, sports shooters, members of hunting and sports shooting clubs, etc.). Proof of professional affiliation is required.
