FOR IMMEDIATE RELEASE

## **Caracal USA® Awarded Government Contract in Turks and Caicos for CAR814 A2 Patrol Rifles**

*Agreement reinforces Caracal USA®'s growing presence and trusted reputation among Caribbean government agencies.*

**Nampa, Idaho (March 2026)** – [Caracal USA®](http://www.caracalusa.com), a leading U.S.-based manufacturer of small arms for the law enforcement and defense markets, announced today that it has secured a new supply contract with government agencies in the Turks and Caicos Islands for the [CAR814 A2 Patrol rifle](#). The award underscores Caracal USA's expanding presence in the Caribbean region and reflects the continued demand for modern, reliable weapon systems designed for professional users.

Chambered in 5.56x45mm NATO, the CAR814 A2 Patrol is a centerfire, direct impingement gas-operated tactical rifle engineered and manufactured to NATO standards. Designed specifically for military and law enforcement applications, the platform combines high-quality components, advanced engineering, and state-of-the-art manufacturing processes to deliver a durable, reliable, and accurate weapon system built to exacting tolerances.

The contract represents another milestone in Caracal USA's ongoing efforts to support allied governments and security organizations with mission-ready firearms solutions.

"Working with our Caribbean regional representatives, I.I. & E, Caracal USA products have become well known with the government agencies of Caribbean nations," said Jeffrey Spalding, CEO and President of Caracal USA. "Our dedication to safety, reliability, and durability continues to demonstrate the quality of Caracal USA weapon systems, allowing us to successfully compete in tender solicitations and ultimately be awarded contracts to supply modern weapon systems to Turks and Caicos."

Caracal USA continues to strengthen its relationship with international partners and regional representatives to deliver advanced firearms platforms that meet the operational needs of military and law enforcement professionals worldwide.
