FOR IMMEDIATE RELEASE

Caracal USA® Named Official Sponsor of Building Stronger Veterans' 2nd Annual Ammo Therapy Day

Veterans and patriots will gather on Saturday, May 2, 2026, for a day of competitive shooting, firearm demonstrations, camaraderie, and support, featuring firearm demos and a chance to win a CAR814A2 Patrol Rifle.

Nampa, Idaho (April 2026) – [Caracal USA](http://www.caracalusa.com), a leading US-based manufacturer of small arms for the law enforcement and defense markets, is proud to announce its role as the Official Sponsor of the upcoming Building Stronger Veterans' 2nd Annual [Ammo Therapy Day](#) on Saturday, May 2, 2026, from 9 a.m. to 4 p.m., at Parma Rod & Gun Club in Parma, Idaho. The event brings together veterans and patriots for a day of competitive shooting, firearm demonstrations, camaraderie, and support while raising awareness and funds for the mission to end veteran homelessness.

"At Caracal USA, we believe in standing behind those who stood for all of us. Sponsoring Ammo Therapy Day 2026 and Building Stronger Veterans isn't just a business decision; it's a commitment to the men and women who sacrificed everything in service to this country," said Jeffrey Spalding, President and CEO of Caracal USA. "We're honored to contribute a CAR814A2 Patrol rifle to this year's event and proud to support an organization dedicated to ending veteran homelessness. When veterans thrive, America thrives."

The range day offers participants the chance to compete for exciting prizes, enter raffles, and connect with fellow veterans—all while supporting a worthy cause. Caracal USA will bring the excitement with firearm demonstrations and has generously donated a CAR814A2 Patrol Rifle – 16" Semi-Auto as a raffle item.

The [CAR814A2 Patrol Rifle](#) is a centerfire, direct impingement gas-operated tactical rifle chambered in 5.56x45mm NATO, which has been designed, engineered, and tested in accordance with NATO standards. This rifle was designed with military and law enforcement users in mind. Using high-quality components, advanced engineering, and state-of-the-art manufacturing processes, the CAR814 A2 is

built to exacting tolerances to provide the end user with a durable, reliable, and accurate weapon system.
