New partnership expands Caracal USA®'s European distribution network and strengthens access to the Polish firearms market.

Nampa, Idaho (May 2026) – [Caracal USA®](http://www.caracalusa.com), a leading U.S.-based manufacturer of small arms for the law enforcement and defense markets, announced today that it has entered into an exclusive commercial distribution agreement with [KOLBA SP. z o.o.](http://www.kolba.com), a premier outdoor wholesale distributor based in Poland. The partnership will expand the availability of Caracal USA firearms to the Polish commercial market through KOLBA's extensive national retail network.

KOLBA is one of Poland's leading outdoor and shooting sports distributors, supporting more than 1,200 retailers throughout the country, and generating over \$55 million in annual revenue. "Caracal USA is excited to expand our network of distributors into Poland," said Jeffrey Spalding, CEO and President of Caracal USA. "For over 20 years, we have been developing the shooting, hunting, and outdoor market in Poland. Our commitment is based on sharing our knowledge, experience, and, most importantly, passion with our customers. We have successfully introduced global brands to our domestic market, and today they are the basic equipment of shooters and hunters. We are excited about the Caracal brand at Kolba.
