**Nampa, Idaho (June 2026)** – [Caracal USA®](http://www.caracalusa.com), a leading U.S.-based manufacturer of small arms for the law enforcement and defense markets, announced today that it has entered into an exclusive distribution agreement with PERDIGON, a leading firearms and ammunition distributor in Guatemala.

Founded in 2017, PERDIGON was established to consolidate import operations and strengthen its position within the firearms and ammunition distribution sector. Backed by more than 27 years of experience through its affiliated companies and leadership team, the company has become one of Guatemala's leading distributors of premium firearms products. Through its retail division, LEGION, one of the country's premier specialty firearms retailers, PERDIGON has developed a strong reputation for product expertise, customer service, and brand development. PERDIGON further differentiates itself through comprehensive post-sales support, including a certified gunsmith workshop, Cerakote® finishing services, and custom Kydex holster manufacturing through its affiliate company, VITRUS.

Rodolfo Orozco, Commercial Director of PERDIGON, stated, "We are proud to be selected as Caracal USA's exclusive distributor in Guatemala. Caracal has established itself as a manufacturer of innovative and reliable firearm platforms, and we are excited to introduce these products to the Guatemalan market. Through our distribution network, technical expertise, and commitment to commercial and professional users throughout the country."

Through this exclusive agreement, PERDIGON will bring Caracal USA's advanced firearm platforms to the Guatemalan market, leveraging its established retail network, technical expertise, and strategic marketing capabilities tailored to premium international brands.

"Caracal USA is excited to expand our network of distributors into Guatemala," said Jeffrey Spalding, CEO and President of Caracal USA.
